WATER SUPPLY SHUTDOWN

Msukaligwa Local Municipality would like to inform the residents of Ermelo and Wesselton of the water shutdown in these areas from Wednesday, 02nd of April 2014 to 5th of April 2014. The shutdown will be due to installation of new valve and the repairs to the asbestos bulk supply pipeline which was inadvertently damaged by contractor.

Please take note that the anticipated a shut-down, which will affect the high lining areas that is **New Cassim Park, De Bruin Park, John Vorster Park, Everest Park, Long homes and Part of Wesselton Extension 3**. Other areas will only experience low pressure during this period. The municipality will do every in its power to minimize the period of the shutdown.

The municipality has put in place a contingency plan, whereby water tankers will be deployed in strategic areas if needed.

Communication has been rolled out over the weekend of 29 and 30 March 2014, to areas to be affected by this shutdown through community meetings, distribution of notice and/or flyers.

It is important to note that this shutdown will place a tremendous strain on everybody. For more or update information please contact the Municipal Call Center at 017 801 3500 / 0861167852.

Please take note that the water supply shutdown is subject to favorable weather conditions.
