## Planned Power Outage

Please take note that Eskom will be having a planned electricity outage due to the refurbishment needs to be completed in the Ermelo sub-station to cater for the increasing demand for energy from the town and rural communities.

The whole of Ermelo and Wesselton will be affected.

The electricity supply will be interrupted as indicated below:

Dates : 23 and 30 November 2014  
Starting time : 08h00  
Finishing time : 18h00

For both dates.

The power interruption is subject to favourable weather conditions. All electrical points and installations should be considered alive during the power interruption as Eskom can restore power at any time.

**ISSUED BY Municipal Communication Unit.**
