#### 1. PREAMBLE

The municipality is committed to the structured and systematic training and development of its employees on an on-going basis to enable them to perform their duties effectively and efficiently. Training and skills development will also be provided to enable employees to acquire the skills, knowledge and other attributes and develop their potential to meet the municipality's human resources needs.

The policy sets guidelines for the Council in terms of providing opportunities to job seeker and students to gain experience at different levels within a municipal environment.

Through this policy, Msukaligwa Local Municipality is committed to providing Interns with a quality experience that involves meaningful activities and the opportunity to learn and gain practical work experience in their chosen field of study and work. Interns will be provided with a clearly defined framework of participation and learning, and will be supervised by a suitable division staff member, who will monitor progress to ensure effective contribution and resolve any concernsof the Interns.

The pursuit of further education and training is important as it exposes employees to new developments in their professional careers, help them grow and perform their work better. Basically it broadens their knowledge base and helps them derive new ways of doing things. This ensures continued supply of learned well capacitated human resources that will enhance and sustain service delivery by Msukaligwa Local Municipality. In the interest of improving the skills of the employees, it is of utmost importance that resources are allocated to support and encourage this initiative that is geared at developing the human resources to sustain present and future survival of the Municipality.

The training and development of an employee will commence with his/ her appointment and continue as long as he/ she is employed by the municipality. Current employees will be drawn into the training process in accordance with the priorities established by way of structure analysis of training needs as well as in accordance with the organizational objectives.

#### PURPOSE

The purpose of the policy is to provide guidelines that will regulate the training and development of employees and councilors as well as awarding of financial assistance to employees intending to further their studies. The policy further sets procedures for managing internships within the municipality and to create opportunities for professional development for students and recent graduates of the district and to empower young people to gain experience and prepare themselves for the labour market.
